

## Pollution Prevention/Good Housekeeping Program (PPGHP)

**Purpose:** State College Borough recognizes the benefit and importance of stormwater and the need to prevent or reduce pollutants from entering stormwater from municipal operations. This document shall be referred to as the official State College Borough Pollution Prevention/Good Housekeeping Program (PPGHP). The PPGHP will be used as a reference and training guide for good housekeeping procedures for municipal activities.

### Identification of Municipal Facilities

- Municipal Building/Service Facility
- Parking Garages

**Related Programs:** The Borough of State College has developed a written Operation & Maintenance for all Municipal Operations.

**Training Policy:** Each year the Borough will review the PPGHP, update as appropriately, and post the PPGHP on the Borough’s website. Municipal employees will receive training on an annual basis.
