MEDIA RELEASE

UPDATE: Below are photos of the suspect vehicle with the stolen lawnmower from the night of the theft. Original press release update below.

FOR IMMEDIATE RELEASE

June 26, 2018

UPDATE (with pictures): The items in the photo are not the items that were stolen, but similar.

The State College Police Department is asking for your help in locating a missing lawn tractor and trailer reported by Centre Region Parks and Recreation, 2929 Stewart Drive.

The trailer was taken between 5:00pm Monday, June 25 and 7:00am Tuesday, June 26, 2018. The trailer was hooked up to a parked pickup truck and was loaded with a large tractor with a 10' mower deck. It is believed, based on the size of the tractor and trailer, it would take a larger than standard size pickup to haul the load. Based on this information, it is suspected that there is more than one individual involved in this incident.

We are urging anyone who may have information regarding this incident to contact the State College Police Department at (814) 234-7150, by [email](#) or submit an [anonymous tip](#) through our website.
